

LiveAquaria Marine Diver's Den Fish Food Chart

Drs. Foster & Smith Educational Staff

Do you wonder what we feed the marine fish at our Aquaculture Coral & Aquatic Life Facility? Or have you purchased a marine fish from the Diver's Den® recently, and want to know what to feed it? Check out this handy chart for the live, frozen, dry or fresh foods that help our marine fish thrive. These are the exact foods the fish in our Diver's Den® eat.
